Coming Attractions for
Wichita Amusement Lovers.

At the Crawford.
Among the attractions of Hoyt's "A Texas Steer" probably none has the list as the greatest money maker, it having cleared over three hundred thousand dollars for its owners. This play has always had the advantage of a good company. This excellent production will be seen at the Crawford soon.

EARLE DOTL IN "THE IRON MASK"
In securing "The Iron Mask" for Mr. Earle Dotl this season Mr. Burdick has been particularly fortunate, for it is seldom that a part is found to fit a young actor so well as does the part of Gaston, or Iron Mask, in the story of the rapid transition from the mirth of the Parisian to the tragic grandeur of the scenes in the Bastille, demonstrate well this young actor's ability.

Possessed of giant stature, a deep resonant voice, and a graceful carriage he holds the attention of the entire audience from first to last. The part of Gaston, a favorite with the older actors, makes great demands upon the one enacting it, but the reputation gained by him in the past seasons will be more than sustained in this new part.

One of the important engagements at the Crawford this season will be the appearance of Mr. Reed in his big success, "The Younger Buyer." It has been a number of years since Mr. Reed has been here and to many of the younger theatre goers he will be known by reputation only. Everyone who enjoys good wholesome comedy should make a memorandum of the date of Mr. Reed's appearance. It is October 16 at the Crawford.

THE MOORE STOCK CO.

This popular company will open its fifth annual engagement at the Crawford Theatre, Monday night, October 5, presenting for the first time in Wichita, "The Doctor's Land." In speaking of the work of this company the Daily Post-Gazette (Hempstead, Ill.) says:

"An audience in number and quality that was equally complimentary to the players and extraordinary in the few office people, greeted the presentation of 'The Doctor's Land' at the Grand last night as given by the Moore Stock Co. The cleverness of the artists new to the local boards has won for them new and higher estimation in the community as well as evinced by the large house and enthusiastic reception accorded them. In 'The Doctor's Land' they are seen, not at their best, for they are good always, but with a degree of lavish environment that is a necessary part of the production and in no degree does the requirements suffered. As a production it was presented last night, one of the best ever seen on our stage, several of the scenes were triumphs of the scenic painter's art. The work of the players was in every way satisfactory, that of Miss Moore especially so; it was excellent to wit for her a pre-eminent place with our theatre-goers. If she did not already hold it."

"The Doctor's Land" is presented at the Crawford one night during their week's engagement. Just what night will be announced from the stage the previous night. Prices, 10c, 20c, 30c and 50c. For Monday night ladies' free seats may be reserved before 6 p.m.

"BABY BOO" A FEATURE.
Ringling Brothers Have the Only Baby Elephant Bred and Reared in Captivity.

The only baby elephant bred, born and successfully reared in the trying climate of North America is "Baby Boo," the pride and pampered pet in the menagerie of Ringling Brothers' World's Greatest Shows, which will exhibit in Wichita, Tuesday, Oct. 6. "Baby Boo" is a baby elephant, 4 months old, and is a very beautiful animal, and is exceptionally bright and expressive, which look with amazement upon the many men and women students who have traveled thousands of miles to inspect her. They regard her as a phenomenon, and unite in expressing the opinion that she is the most interesting, instructive and novel feature ever exhibited in any menagerie or zoological garden in the world. The only elephant born in the United States, and the only one to survive, "Baby Boo" is a very beautiful animal, and is exceptionally bright and expressive, which look with amazement upon the many men and women students who have traveled thousands of miles to inspect her. They regard her as a phenomenon, and unite in expressing the opinion that she is the most interesting, instructive and novel feature ever exhibited in any menagerie or zoological garden in the world.

BLOOD POISON
Have You Some? This is a new and powerful blood purifier, and is the only one that will cure blood poisoning in all its forms. It is a powerful blood purifier, and is the only one that will cure blood poisoning in all its forms.

COOK REMEDY CO., 1200 KANSAS STREET, CHICAGO, ILL.
